theories through the use of commonplace experiences, such as relationships with roommates, friends and co-workers. The book aims to motivate students to critically think about their own relational communication; it also peaks student interest in social science research.

Abstract: Part of a series on speech communication, this book presents the authors' theory of interpersonal communication. This theory, introduced in chapter one, is based on a continuum of interpersonal communication which ranges from highly impersonal to highly personal. Throughout the text the authors have included exercises, activities, and discussion questions to help the reader use this theory to improve interpersonal communication. The
